

Statement of Business Ethics

Kitcher Risk Solutions will act in an ethical manner in all our business activity. At all times our employees will behave professionally with integrity and honesty in the interests of Kitcher Risk Solutions.

Our commitment to integrity means that we act only with the highest ethical standards

We will:

- Act professionally, honestly and with integrity
- Comply with all applicable laws, regulations and standards
- Provide services fairly with a focus on customer needs
- Protect Confidential Information about our business, clients and suppliers
- Build relationships based on mutual respect
- Deal with people equally without prejudice or favour
- Take responsibility for our decisions and actions

We will not:

- Lie, steal or present deceptive invoices or claims
- Falsify reports
- Offer personal inducement to secure work
- Take or offer a bribe
- Act corruptly or encourage others to act corruptly
